## PROFILE

My name is Cole Lowery, and I am an aspiring journalist. In the recent years I have fallen in love with video and journalism. Through the guidance of my advisor, Aj Chambers, I have continued to grow and succeed in my craft. His teachings have helped me obtain many awards including, NSCPA Spring Story of the Year, Best in Show for reporting at the SIPA conference, and even the student presidency of the student journalism conference, SCSPA.

On the left in the green shirt is Aj Chambers, and I am the one in the green pants.

## EXPERIENCE

FOOTBALL VIDEOGRAPHER, SUMMERVILLE ATHLETICS; SUMMERVILLE, SC  
2014-PRESENT

The Summerville Athletics Department hired me to film the varsity football games. Multi-tasking, I would use two cameras to film from two different positions. Using this film, the coaches and players were able to go back and fix errors in their plays and re-work strategies for the next game. Soon, after seeing the quality of my work, I was also hired to film the JV football team's games too. Even soccer is currently trying to reorganize the budget to hire me for their season.

POOL ATTENDANT, KOLTER; SUMMERVILLE, SC – JULY TO OCTOBER 2015

As a pool attendant, I was responsible for the upkeep of the neighborhood pool. This is also included running the numerous events businesses like YMCA hosts at the pool. Maintaining the pool involved cleaning the utilities, maintenance on the pool, and managing those at the pool. My employment at the pool only ended because of the closing of the pool for the rest of the year.
